

Learning Circle Insights

Intro to HTML and CSS

Facilitated by Rob Germeroth
April 4 - May 9, 2018 at Parkman Branch Library
Detroit, Michigan

Summary

LEARNERS' GOALS

Why did people sign up?

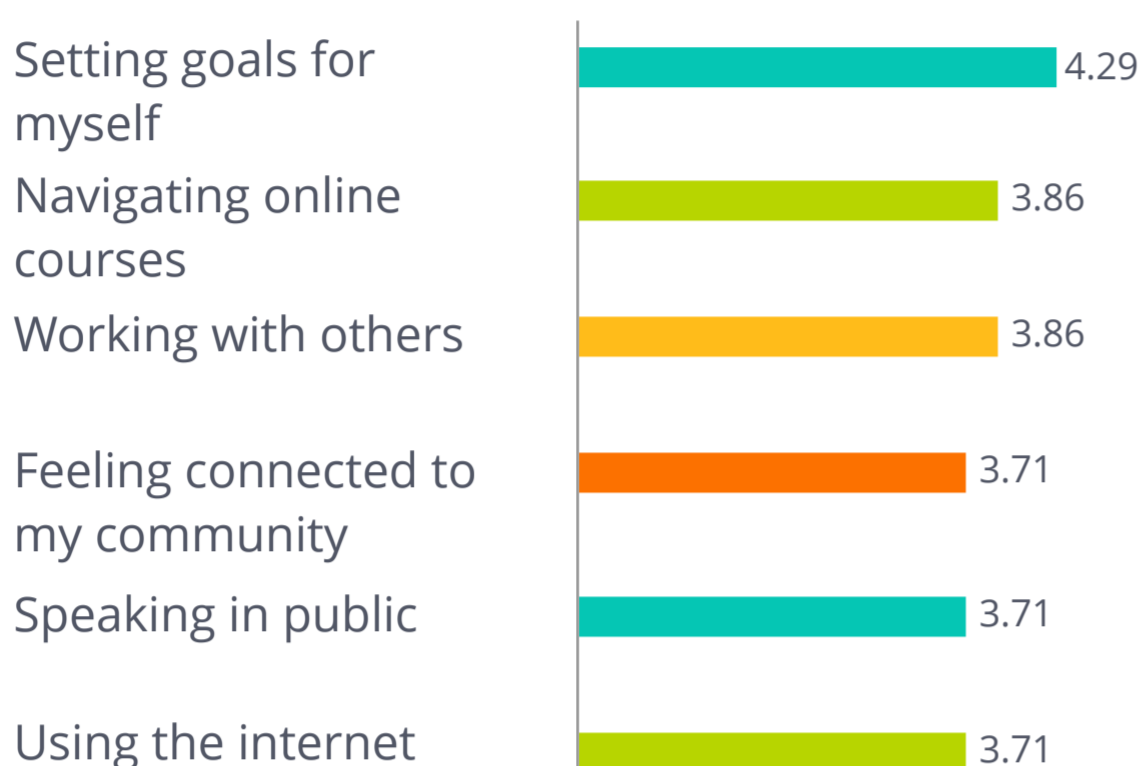

GOALS MET

To what extent did you achieve your goals for this learning circle?

SKILLS LEARNED

After the learning circle, I feel more comfortable...

Learners' Reflections

REASONS FOR SUCCESS

I succeeded in the learning circle because I...

- "took on a personal challenge of learning to code."
- "Attended every week to hear the various ways people learn to do this skill."
- "I have a better understanding on how to design a website"
- "had to set a goal for myself"
- "Have a degree in web management ecommerce and at the time CDs pages were not introduced"

NEXT STEPS

What do you want to do with your new skills?

- "learn/work IT"
- "Use it on the side as extra income"
- "Design a website for my business"
- "continue learning"
- "Create web pages"
- "Enroll in continuing education"

IDEAS FOR NEXT TIME

What other topics are you interested in learning?

- "Furthering in this course of coding."
- "Intermediate or advanced Excel or Access"
- "Advance Excel"

Participation

NEW LEARNERS

100%

of participants were taking a learning circle for the first time

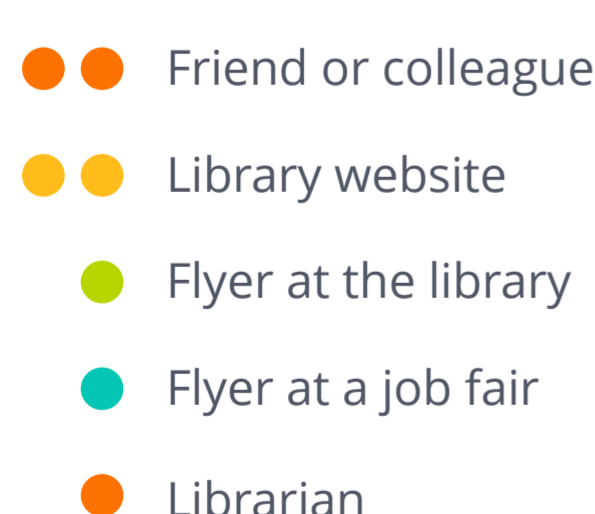

COMPLETION RATE

71%

of participants who responded to the survey completed the learning circle

PROMOTION AND OUTREACH

How did people hear about the learning circle?

LIBRARY USAGE

Aside from the learning circle, how often do you visit the library?

Course Quality

FACILITATOR'S RATING

How well did this course work as a learning circle?

LEARNERS' RATING

How well did this course work as a learning circle?
