2D Design with Inkscape Learning Circle Week 2 Agenda

- Teams Housekeeping
    - If you can't hear/see/make yourself heard, check your device settings. You may need to log in and log out again.
    - Please mute your mic when not speaking and during presentations.
    - Video-encouraged, but not required
    - Headphones are encouraged for blocking out extraneous sounds. Headphones with a microphone are ideal, the earbuds that come with many smartphones have one. ○ Use the chat for tech troubleshooting.
    - If you have a question while others are speaking, click on the "hand" icon in the ribbon on the bottom of the screen, or type "hand" in the chat.
- Icebreaker: *What was the last live event you attended?*
- "Ask a 2D Designer" interview and Q & A: Shevek McKee ○ What got you interested in 3D design?
    - What training have you had?
    - Did you ever have a design that really went wrong? ○ What was your favorite project?
    - What advice do you have for us?
    - Q&A
- Halloween mask project
- Inkscape Tutorials
    - Bezier Tool
        - Making A Leaf
    - TJ Learn Free Tutorials
    - Calligraphy tool
        - Input tablet
    - Cropping in Inkscape
- Check in: How are we doing?
- Independent/Partner Work
- Plus/Delta ○ What is one thing that went well for you today? ○ What is one thing that you would like to change for next week?
